WEEDING PROJECT COMES TO A CLOSE

Over the 2018 year, the library has evaluated all of it's materials to make sure they are still a proper fit for our collection. The main two criteria used in this evaluation were condition of the materials and whether it had circulated well over the previous 10 years. After finishing with the juvenile non-fiction collection we have concluded our weeding project.

Weeded materials are free to good homes and can be found in our back entryway and on a cart in the library. Just ask!

NEW YOUTH SERVICES COORDINATOR

Krystal Watkins joins the library team at the beginning of the new year. She is excited to meet the community and brings her background as a teacher and current library program student to the position. Please feel free to stop by and give her a nice warm welcome!
