SUMMER'S END

We are drawing upon the end of our Summer Library Program! It has been a blast so far and we are looking forward to our **Ice Cream Finale on August 17th**.

Remember to return your reading logs by **August 16th** to be considered for prizes the next day.

This fall we have a couple changes coming including switching the the LINKcat catalog with South Central Library System and a minor renovation project to switch the Juvenile Non-fiction section and the circulation desk. This will join the Children's area into one and provide room for a multi-purpose space in the center.

As always we appreciate the input and support from our community. We would not be where we are without **YOU!**

STUFFED ANIMAL SLEEPOVER

On Friday, July 26th, children were invited to bring their stuffed animals to our sleepover and pick them up the following day. After a storytime, they were tucked in tight for the night. The next morning the children were delighted to see all the shenanigans they got up to!

You can check out all the pictures for yourself on our slideshow on our Facebook page.
