

# THE NEWSLETTER

## RENOVATIONS COMPLETE!

After a very full week of being closed, we are back up and running! We would like to thank our village maintenance crew, T.C. Construction, and PDC Electrical, and our library system SCLS for helping us with our project.

It looks better than we would of imagined and we couldn't of pulled it off without support from our community members. Thanks you!

We would love to see you in our new space soon!
