A YEAR IN REVIEW

There is no question that the library has undergone a transformation this past year. We've had ups and downs and everything in between. I'd like to share some of my highlights:

- New Library Hours
- Children's and Circulation Area Renovation
- Launching a summer library program for all ages
- Growing a strong connection with our school district
- Switching library catalogs after months of staff hand entering every single item
- Winning the "Super Awesome Library" Award
- Over 1,300 New Materials Added
- 712 Coloring Pages
- 157 Library Programs
- 1 Pie to the Face

I am very thankful for my wonderful staff who rolled with everything I threw at them and the support I've received from this community.

I am honored to be your librarian.

QUOTE OF THE MONTH

I hope that in this year to come, you make mistakes. Because if you are making mistakes, then you are making new things, trying new things, learning, living, pushing yourself, changing yourself, changing your world. You're doing things you've never done before, and more importantly, you're Doing Something.

So that's my wish for you, and all of us, and my wish for myself.

Make New Mistakes.

Make glorious, amazing mistakes.

Make mistakes nobody's ever made before.

Don't freeze, don't stop, don't worry that it isn't good enough, or it isn't perfect, whatever it is: art, or love, or work or family or life. Whatever it is you're scared of doing, Do it. Make your mistakes, next year and forever.
