STRONG COMMUNITY PARTNERS

Over the past few months we have enjoyed a number of community partnerships. We'd like to highlight a few and share our gratitude for their contributions to the library.

Back in January, we joined forces with Krista from Green County Sexual Assault Recovery Program to host a Self-Care workshop and made some stellar rice bags. They will also be taking over our display case in April for Sexual Assault Awareness month.

Our on-going partnership with our school district would not be possible without an all-star support network. From the staff and teachers to library assistants like Cindy Salas who make sure our kids have the newest reads, we are proud to be working side by side with amazing workers in this blooming partnership.

The Wisconsin Historical Society have been a strong support for us with our programming and bringing top-notch speakers to Monticello.

Our local chapter has helped us to spread the word on upcoming events and share valuable resources. We are looking forward to growing this connection in the future.

Honorable mentions include Azura Memory Care, American Legion Post 84, Bank of New Glarus, and the Class of '49.

QUOTE OF THE MONTH

Libraries are reservoirs of strength, grace and wit, reminders of order, calm and continuity, lakes of mental energy, neither warm nor cold, light nor dark.... In any library in the world, I am at home, unselfconscious, still and absorbed.
~Germaine Greer
